Subject: Performance Certificate for Malaba – Namutere Road Section

Reference: 1. Letter from Station Engineer, Tororo dated.25th October 2015.
2. Our letter no. MBBP/UG/ER/2015/508, dated. 5th August 2015.

Dear Sir,

With reference to the letters above, at the completion of defects notification period the DB contractor has repaired all the pavement defects. The committee of the Employer, Employer's Rep. and DB Contractor's Rep. had carried out a detailed joint inspection on 4th August 2015 along the Malaba - Namutere road sections upon completion of defects notification period.

The committee assessed the performance of the pavement and also Station Engineer Tororo – UNRA has reconfirmed that the noted defects have been repaired by the DB Contractor.

With all the above referred communication, we confirm that in accordance with Clause 11.9 of section 4: particular conditions of contract the defects notification period has ended and DB Contractor has handed over the Malaba - Namutere road section to the Employer on 11th September 2015. Pavement performance warranty starts (Product warranty) with effect from 11th September 2015.

DB Contractor has submitted 5 years Product warranty bond with letter no. SBI/HO/MBB/0715/428 dated 24th July 2015 to the Employer in accordance with Clause 18.6 of section 4 of the particular conditions of contract for all three road sections.

Thanking you

Yours faithfully,
